

International Forum for Genetic Engineering

**Intrinsic Value and Integrity of Plants
in the Context of Genetic Engineering**

**Proceedings of an Ifgene workshop on 9 - 11 May 2001
at the Goetheanum, Dornach, Switzerland**

Edited by David Heaf and Johannes Wirz

Contents

- Dignity of plants and perception – *Christoph Rehmman-Sutter*
- Dignity of living beings and the possibility of a non-egalitarian biocentrism – *Klaus Peter Rippe*
- The intrinsic value of animals: its implementation in governmental regulations in the Netherlands and its implication for plants – *Henk Verhoog*
- Dignity of Man and Intrinsic Value of the Creature (*Würde der Kreatur*) – conflicting or interdependent legal concepts in legal reality? – *Hanspeter Schmidt*
- Shamans and scientists – *Jeremy Narby*
- A Goethean view of plants: unconventional approaches – *Jochen Bockemühl*
- Ethical plant breeding techniques from an organic point of view – *Edith Lammerts van Bueren*
- Does gene transfer violate the integrity of plants? – *Michel Haring*:
- Solutions of agronomic problems based on 'ecological integrity' – *Florianne Koechlin*
- Introductory address to the final day of the workshop – *Johannes Wirz*
- A practising horticulturist's view on the integrity of plants – *Christian Hiss*
- The food plant from the processor's perspective: the example of the cocoa tree – *Craig Sams*
- The socio-cultural question: does genetic engineering advance sustainable development? – *Miges Baumann*

Plus transcripts of the discussions & 17 illustrations (13 in colour). 66 pages. Format: A4; p/b. ISBN 0-9541035-0-5.

Order details

GB pounds (£)

Name _____

Please supply:

Organisation _____

.....copies @ £10.00 each

Address _____

Total amount _____

Town/City _____ State/County _____

Price includes postage and packing.

Post/ZIP Code _____ Country _____

Payment methods:

Tel: _____ Fax: _____

- UK £ sterling cheque to 'International Forum for Genetic Engineering' **or**
- credit card (please fill in details clearly below)

Email: _____

Please fax, post or email orders with payment to Ifgene UK co-ordinator:

Dr. D. J. Heaf

Hafan,

Cae Llwyd,
